

Maiden World Tour Ltd

Maiden Paid Apprentice

Maiden is Global Ambassador for the Empowerment of Girls through Education

<https://vimeo.com/395783517>

Our Mission: The **Maiden** Factor Foundation works with, raises funds for and supports communities to enable girls into education and empower and support them to remain throughout their teenage years to reach their full potential and create better futures for all

Our Vision: A world where every girl has access to 12 years of quality education; empowering them to choose their future and fulfil their dreams

In January 2022 **Maiden** will resume her three-year world tour. We aim to sail around the world at least twice during that period, covering up to 90,000 nm, visiting upwards of 60 destinations in over 30 countries. The tour may look a little different from the previous tour with the pandemic affecting our ability to hold events at stopovers but we will do what we can. More details as we go.

During that the tour we will be taking Apprentices for various lengths of time. Our Apprentice needs to be over 18 years old and will have sailed for at least year and, ideally, have an RYA Competent Crew certificate. However, with a good reference we will book and pay for the successful applicant to have her ENG1 and take her Competent Crew, STCW and First Aid before she joins.

The next intake is September 2022. Our applicant needs to be recommended by a teacher, sailing instructor or sailing programme leader. This position is for a young female novice sailor that would like the opportunity to sail and learn, be mentored and travel and explore life opportunities whilst helping girls around the world access an education.
