

Embark - a guide to Yachting New Zealand's online learning platform

Getting Started

- You can access [Embark](https://yachtingnz.org.nz) through the Yachting New Zealand (YNZ) website yachtingnz.org.nz by going to the [course schedule](#) page. Click on any of the links or the course you want to sign up for.
- If you haven't used our online learning platform before you will **need to create a new user account**.
- If you have a login for the YNZ website, it **WILL NOT** work on Embark - however we recommend you use the same one to make it easier to remember.

Navigating the course catalogue

- Within the Yachting NZ course catalogue you will see all in person and online courses, as well as a selection of relevant Sport NZ online courses.
- If you want to narrow your search, you can select 'Coach Course Catalogue' or 'Race Officials Catalogue' above the courses, or select the In-Person or Online options to the left. From there, you can further narrow it down by region.
